*Since 1953 the families of Altadena Nursery School have proudly offered gourmet-quality **California navel oranges** and **Arizona ruby grapefruit.** With your support, our non-profit, co-op nursery school continues to enrich the lives of Pasadena-area children.*

We are now taking orders for this delicious fruit. This year, fruit is priced as follows:

	NAVEL ORANGES	RUBY GRAPEFRUIT
1 Case	$27.00	$21.00
1/2 Case	18.00	15.00
1/4 Case	12.00	10.00

These are the most delicious, freshest, juiciest oranges and grapefruit you can buy. They come directly from the grower and are only a few days off the tree when you receive them. This fruit will last approximately 5 weeks if kept in a cool place where the air is allowed to circulate. Our prices are below local market for top quality fruit. We guarantee our product, and your purchase is 20% tax deductible. Cases can also be donated to the local food bank. Cash donations are also accepted which are 100% tax deductible. In January purchases or donations can also be made on our Orange Sale web site www.ansoranges.com.

C.O.D. fruit deliveries to your home/workplace will begin January 30, 2010.
